

January 31, 1974

SENATOR BARNETT: I move that LB 626 be advanced to E & R Initial as amended. Like I stated the amendment that we are talking about basically tells what the bill is. The mistake was method of computation on the bill that we made, that we did last year on 164, I believe the number was. So this year we are bringing in just a corrective measure to correct it in equity, I so move that the bill be advanced.

PRESIDENT: And the Chair would now inquire is there further discussion on LB 626. If not the question is, shall LB 626 as amended by the committee amendments be advanced from General File to E & R Initial. All those in favor of advancing the bill will vote aye, all those opposed will vote no. The motion is to advance LB 626 as amended in General File to E & R Initial. Have you all voted? Clerk will record.

CLERK: 29 ayes, 0 nays and the remainder not voting, to advance.

PRESIDENT: The bill is advanced. Senator Goodrich do you want to go back to 653?

SENATOR GOODRICH: Yes.

PRESIDENT: All right. What's the condition of 653. Stand by for just a minute till we get the Clerk to bring us up to date here.

CLERK: Mr. President, the Legislative Bill 653 was previously read on January 22, there are no committee amendments. There is an amendment in the Journal on page 447 from Senator Goodrich.

PRESIDENT: All right. Senator Goodrich we are considering your amendment to the bill that is found on page 447 of the Journal

SENATOR GOODRICH: O.K. This is the willing buyer, willing seller notice and hearing bill that we have discussed a couple of times before. This is the amendment that was worked out as a compromise between Senator Cavanaugh and myself. The amendment provides that the willing buyer, willing seller can get together. They can talk about a or negotiate a purchase but they cannot consummate the sale until after they have had public notice and public hearing. This was the question that was raised relative to the bill the other day and we have satisfied that. To my knowledge Senator Cavanaugh is in complete concurrence with this and I would like now to ask Senator Cavanaugh if he is in complete concurrence.

PRESIDENT: The Chair recognizes Senator Cavanaugh.

SENATOR CAVANAUGH: O.K. I'm in agreement with the amendment and I think it accomplishes what seemed to be the desire of the body the other day. I do have another minor amendment that I would like adopted to this amendment. If I could move that.

PRESIDENT: Go ahead.

SENATOR CAVANAUGH: Do you have the other amendment on the desk?

CLERK: Yes.

SENATOR CAVANAUGH: OK. I move the adoption of that amendment. To the Goodrich amendment.
